AMENDMENT

Honorable Assistant Commissioner of Patents,
Washington, D.C. 20231

RECEIVED
MAY 07 2003
GROUP 3600

This response corrects a defect in the claims that was discovered after the mailing of the Response to the Office Action of Oct. 28, 2002.

AMENDMENT

Please amend the claims by substituting the following claims for those added by the previous amendment.

B,

Claim 15 (AMENDED) A fleet of refuse collection vehicles (RCVs) comprising the following types of RCVs,

a front loader refuse collection vehicle (RCV) made from a body module, a hopper module and a tailgate module and
